Re: SADDOZAI v. RON HARRIS, et al.,
Case No. 5-18-CV-05558-BLF

Dear Honorable Beth Labson Freeman;

Plaintiff requests that the Court provide plaintiff an extension of time to respond to Defendant's reply brief in support of defendant's motion to dismiss due to plaintiff's lack and denial of prison law library repeatedly denied to plaintiff as punishment to retaliate against plaintiff for initiating an inmate complaint and group inmate grievance (Appeal #ESP-C-3-20-02698) for denial of law library access, services, and resources, while having advanced knowledge of plaintiff's active legal cases and deadlines, verified on prison (SOMS) system.

Plaintiff requests the courts assistance to order prison officials and litigation coordinator to provide plaintiff meaningful access to prison law library services needed to initiate, maintain and prosecute court actions, and to cease and desist their ongoing retaliation, threats, and harassment against plaintiff for exercising his access to the courts. In support of plaintiff's request please see attached supporting evidence of plaintiff's efforts to seek law library access repeatedly blocked, ignored, denied upon library supervisor and or personnel approving plaintiff for priority Legal user status and then denying plaintiff access out of malicious and sadistic intent to ~~to~~ cause actual injury damage and irreparable harm to plaintiff.

I declare under penalty of perjury that the foregoing is true and correct.

Sincerely,

Shikeb Saddozai # A1500
